Education

University of California, Irvine — Irvine, CA
Bachelor of Science in Software Engineering — *Sep. 2025 – June 2027*
GPA: 3.92/4.00

City College of San Francisco — San Francisco, CA
Associate of Science in Mathematics — *Aug. 2022 – June 2025*
GPA: 3.90/4.00

Technical Skills

Languages: Java, C/C++, Python, MIPS, Lua
Developer Tools: VS Code, IntelliJ, Eclipse, PyCharm
Technologies: Git, GitLab CI/CD, pandas, HTML/CSS

Projects

Accessibility (A11y) Agentic CI Component | *GitLab AI Hackathon 2026* — Mar. 2026
- Built the GitLab CI/CD pipeline and reusable component configuration to automatically scan Markdown documentation for accessibility violations and block pipelines when violations are detected.
- Designed a configurable test_mode for intentionally inaccessible test files, allowing expected violations to verify the component while preserving genuine pipeline failures.
- Collaborated on the GitLab Duo Agent integration to provide AI-assisted remediation suggestions for detected accessibility issues.

Excel–Lua Data Configuration Pipeline | *Python, Lua* — Dec. 2025 – Jan. 2026
- Designed standardized Excel input schemas and corresponding Lua table output formats for game data configuration.
- Built a Python-based data conversion pipeline to transform Excel spreadsheets into Lua tables for game engine ingestion.
- Implemented data validation and preprocessing using pandas to ensure format consistency and data integrity.

Experience

Computer Science(Java, Python) Teaching Assistant — Jan. 2025 – June 2025
City College of San Francisco — *San Francisco, CA*
- Assisted the professor during lectures and supported students learning Java in class.
- Graded Java and Python assignments and provided feedback to help students improve their programming skills.
- Collaborated with another teaching assistant to support course instruction and improve student engagement.

Math Tutor — Oct. 2023 – June 2025
City College of San Francisco — *San Francisco, CA*
- Tutored students from diverse cultural and academic backgrounds, providing personalized support across a range of mathematics topics.
- Explained challenging and abstract concepts by breaking them into smaller, more accessible steps.
- Managed tutoring sessions with 2 to 3 students at a time while ensuring each student received sufficient support and attention.
- Collaborated with other tutors and supervisors to discuss challenging problems and improve tutoring quality.

Volunteer Experience

Blind and Low Vision (BLV) Connect Project — Aug. 2026
Volunteer — *University of California, Irvine*
- Identified blind and low vision (BLV) and disability advocacy organizations across the United States using provided search keywords.
- Collected and organized publicly available contact information for relevant organization representatives.
- Verified names, roles, and contact details before adding them to shared project records.

Honors & Awards

Dean's Honor List Fall 2025 – Spring 2026
University of California, Irvine

Dean's List Spring 2023 – Spring 2025
City College of San Francisco

Certifications

CRLA International Tutor Training Program Certification — Level I Certified Tutor
City College of San Francisco, April 2025
